Job Title: Shop Technician – Mechanical and Electrical
Location: Rushville, NY

Company: Rush Machinery provides top quality products and service that help people grind better. We build an extensive line of production and support machines for industries that use diamond and CBN wheels and work with carbide and other hard materials.

Our machines are used for: Truing and dressing diamond wheels; Cutting off carbide/HSS rods and tools; Cutting, prepointing, and chamfering carbide/HSS rods; Chamfering carbide/HSS rods; Balancing wheels and tools; Grinding PCD tools; Filtering grinding oil; and Sharpening drills and tools.

Purpose: We are a small and growing company seeking a Shop Technician to support and assist in The production and assembly of standard and custom machines. This dynamic individual will embrace Our core values of honesty, integrity, creativity, and social responsibility to provide outstanding customer service.

The Successful candidate will:

- Build and assemble machinery including mechanical components, electrical panels, sub-assemblies, and control wiring in a safe and timely manner
- Prepare, interpret, and maintain blueprints of electrical input/output drawings of power and PLC circuits as needed
- Troubleshoot, repair, rebuild, and service machines' electrical and mechanical issues, tracking parts and labor
- Document and track all assembly work, changes, and modifications
- Operate hand tools and machinery in a safe manner
- Keep the shop and warehouse organized, neat and clean

Job Requirements:

- Minimum High School Diploma with relevant work experience or Associate's Degree
- Excellent technical aptitude, with mechanical and electrical capability
- Strong analytical abilities to identify and resolve problems

Attributes:

- An active learner – always trying to learn and improve
- Safety oriented team player with a strong sense of responsibility and accountability
- Effective communicator – both written and oral
- Ability to work with minimal supervision
- Comfortable working independently or in cross-functional team
- Dedicated to outstanding customer service through attention to detail and follow-through
- Willing to commit additional time during peak sales periods
- Committed to making a personal investment in learning and growth through skill training and education

Benefits & Compensation:

- Wage commensurate with experience
- Competitive benefit package that includes medical insurance, dental insurance, Simplified Employee Pension
